

Trek Part

Trek Parts - TREK Cleaning Machines is a manufacturer of cleaning machines. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have more than sixty years of experience effectively marketing, manufacturing, designing, developing and offering customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are committed to giving top quality and new design concepts in order to meet the diverse needs of their customers.

In their product development; TREK Cleaning Machines always offers fresh design concepts. They like offering items which energize both their partners and their dealers and provide production gains to their clients.

The team at TREK enjoys tackling new challenges and tasks. They are proud to introduce their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the comprehension of operators' skills and needs together with their knowledge of cleaning applications, along with owners' strong desire to considerably reduce expense through productivity gains.

The employees at TREK and their dealer-partners are really committed to having both technical support and parts accessible when it is needed. Their high service dedication is amongst the core values in their customer service. Keeping their customers' cleaning equipment ready and functioning on a daily basis is top priority. The company's top of the line technology delivers reliable machine which eventually lowers your cost of cleaning. The product, the price and the service all work together to make them an industry leader.
